PREFACE

“Honi Soit Qui Mal y Pense”

THIS Directory and Guide of the Sporting District has been before the people on many occasions, and has proven its authority as to what is doing in the “Queer Zone.”

Anyone who knows to-day from yesterday will say that the Blue Book is the right book for the right people.

WHY NEW ORLEANS SHOULD HAVE THIS DIRECTORY

Because it is the only district of its kind in the States set aside for the fast women by law.

Because it puts the stranger on a proper and safe path as to where he may go and be free from “Hold-ups,” and other games usually practiced upon the stranger.

It regulates the women so that they may live in one district to themselves instead of being scattered over the city and filling our thoroughfares with street walkers.

It also gives the names of women entertainers employed in the Dance Halls and Cabarets in the District.

The Arlington

THE ARLINGTON

NOWHERE IN this country will you find a more complete and thorough sporting house than the ARLINGTON

Absolutely and unquestionably the most decorative and costly fitted out sporting palace ever placed before the American public.

The wonderful originality of everything that goes to fit out a mansion makes it the most attractive ever seen in this or the old country.

The Arlington, after suffering a loss of many thousand dollars through a fire, was refurnished and remodeled at an enormous expense, and the mansion is now a palace fit for a king.

Within the great walls of this mansion will be found the work of great artists from Europe and America. Many articles from various expositions will also be seen, and curios galore.
