From the Inside out

Readers need to be able to picture what you describe in your writing. one way to help them is to select a part of your memoir and slow down the action by adding specific details.

1. Memory

2. Where and when did this memory take place?

3. List the sequence of events that take place in your memory.

- 1.
- 2.
- 3.
- 4.

4. Which of these events will you focus on to slow down the memory?

5. What specific details will you add to help slow down this part of your memoir

6. Why did you choose to write about this memory?

7. What feelings does this memory bring back?
